RE: Credentialing Approval and Network Participation Effective Date
Provider: Stanley M. Sloane, DDS | NPI 1356798420 | Harborline Provider ID HDB-0512947

Dear Dr. Sloane:

We are pleased to inform you that the Harborline Dental Benefits Credentialing Committee, at its meeting of September 30, 2026, completed its review of your application and **approved your participation as a credentialed provider** in the Harborline Dental PPO Network and the Harborline Advantage EPO Network. Your network participation is **effective November 1, 2026**.

This determination is based on primary-source verification of your education and training, Texas state licensure, DEA registration, professional liability coverage, work history, and sanction/exclusion screening, together with the attestation on file in your CAQH ProView profile (CAQH ID 15082736), in accordance with Harborline's credentialing policies and applicable NCQA credentialing standards.

What this means for your practice

Beginning on your effective date, you may render covered services to Harborline members as an in-network provider at the credentialed practice location listed above. Claims for those services will be adjudicated at the contracted Texas Region 4 fee schedule, and member cost sharing will be calculated at in-network benefit levels. Services rendered before November 1, 2026, or at a location that has not been credentialed under TIN 56-1204937, will be processed as out-of-network.

Claims submission

Submit claims electronically through your clearinghouse using **Payer ID HLDB1**, or mail paper claims on the current ADA Dental Claim Form to: Harborline Dental Benefits, Claims Processing, P.O. Box 2290, Tampa, FL 33601-2290. Please report your rendering NPI (1356798420), billing NPI (1902457386), and TIN (56-1204937) exactly as shown in this letter. Mismatched identifiers are the most common cause of claim rejections and payment delays. Pre-treatment estimates (predeterminations) may be submitted through the same channels.

Electronic payments and remittance (EFT / ERA)

Harborline encourages all participating providers to enroll in Electronic Funds Transfer (EFT) and Electronic Remittance Advice (ERA / ASC X12 835). Enroll in the Harborline Provider Portal (Provider Tools > Payment Preferences) or return the enclosed EFT/ERA Enrollment Form with a voided check. Until an EFT election is confirmed, payments will be issued by paper check with a printed Explanation of Payment to the pay-to address on file. **Please note:** if no election is on file within 60 days of your effective date, payments may be issued by virtual credit card (VCC); contact Provider Relations at any time to opt out of VCC.

Provider directory and demographic changes

Your name, specialty, and credentialed location will appear in the Harborline online provider directory within 10 business days of your effective date. Changes to your TIN, practice or pay-to address, additional service locations, panel status, or ownership must be reported within 30 days using the Provider Change Request form in the Provider Portal. Additional locations require a credentialing review before they are considered in-network.

Recredentialing

Harborline recredentials participating providers every 36 months. Your recredentialing cycle will begin approximately six months before November 1, 2029. To avoid any interruption in participation, please keep your CAQH ProView profile attested every 120 days, authorize Harborline Dental Benefits to access it, and keep your Texas license, DEA registration, and liability certificate current.

Next steps

1. Retain the enclosed executed copy of your Participating Provider Agreement for your records.
2. Register for the Harborline Provider Portal at www.harborlinedentalbenefits.com/providers using your Provider ID HDB-0512947 and the registration key printed on the enclosed Quick Reference Guide.
3. Complete EFT/ERA enrollment through the portal or the enclosed form.
4. Load Payer ID HLDB1 and the enclosed fee schedule into your practice management system.
5. Verify your provider directory listing after November 1, 2026 and report any corrections.

If you have questions about this letter, your agreement, or your fee schedule, please contact your Provider Relations Representative, Rebecca L. Thornton, at 1-888-555-0142, ext. 4471, or providerrelations@harborlinedentalbenefits.com, Monday through Friday, 8:00 a.m. to 6:00 p.m. ET. Please reference Credentialing File No. CRD-2026-120377 in all correspondence.

We look forward to a long and successful partnership in serving our members.

Sincerely,

Margaret T. Lindqvist
